

LOCKERS

-  Each student is assigned a locker for the year.
-  Middle School students will have a locker partner.
-  There will be NO CHANGES IN LOCKER ASSIGNMENTS.
-  Lockers are to be kept neat and clean and should not be marked in any way. No materials are to be attached to the inside or outside of the lockers. (Magnets are OK).
-  Lockers are never to be jammed open. “Jamming” of the locks will leave lockers vulnerable to theft and can cause damage to the locks.
-  Any locker problems or damage **must be reported** to the Secondary Office **immediately**. All issues will be documented and addressed quickly.
-  A locker check will be done at the end of the school year.
 - Students are responsible for the locker assigned to them.
 - Students failing to report locker issues will be held responsible for any problems or damage to their assigned locker.
 - Any damage to the locker in the course of the school year including “jamming” of locks will be charged to the student(s).
 - Locker damage carries a fee of \$50.
-  Lockers are the property of Seattle Christian School and are not personal property. Therefore, the administration may conduct periodic locker checks. Always be sure your locker is locked and secured. Books or personal items left outside the lockers may be picked up and put on top of the lockers. Our goal is for all lockers to be kept properly locked and neat in appearance to eliminate the temptation of theft.
