TRAVEL WAIVER FORM

POST EVENT

This acknowledges my decision to separate from the official Seattle Christian extracurricular activity transportation and to provide transportation for my child. In doing this it is my understanding I am not considered a part of the Seattle Christian Schools travel party for this trip and am fully responsible for my child's actions.

I further hold Seattle Christian Schools, its employees and agents harmless in terms of any accidents that may involve my child upon separating from the official traveling party.

This form must be **signed and returned to the coach/teacher for approval a minimum of 24 hours before the event** in order for a student to be released from school provided transportation.

Please note – a new form must be submitted to coaches at the start of each new sports season.
