

## Seattle Christian School ELEMENTARY ARRIVAL AND DISMISSAL PROCEDURES

### **Morning Arrival/Drop Off**

With the exception of Warrior Kid's Club (which opens for before school care at 7:00 a.m.), please do not drop students off any earlier than 7:30 a.m. Students arriving prior to the building opening at 7:30 will need to be checked into Warrior Kid's club for supervision and families will be charged accordingly.

As you drive through the drop-off line, please keep the line moving by using the yellow curb as a drop off zone only.

Students will sit in their assigned classroom waiting areas until classroom teachers pick them up at 7:55 a.m. The school day begins promptly at 8:00 a.m. Thank you for your help in getting your child to school safely and on time each day!

### **Afternoon Dismissal**

All elementary students will be waiting at 3:00 p.m. daily in classrooms. At dismissal time, please form a single continuous line of cars to pick up elementary students. Please do not pass cars on the right side of the line as this presents a safety concern for students who are getting into vehicles.

- Be prepared to place your yellow name card on your dashboard as you proceed through the pick-up line. (see next section for information on yellow name cards)
- Please arrive on campus no earlier than 3:00 p.m. When the elementary dismissal line forms too early it creates difficulty for secondary families to exit campus and other vehicles to enter campus from Military Road South.
- During afternoon dismissal, please enter only through the main campus entrance (off of Military Road South). When you leave campus you will be able to exit southbound (via Military Road South) or northbound (via South 182nd Street).

### **Yellow Name Cards**

Yellow name cards will be provided one card per family. If your card gets lost, changes occur, or you need an extras for other vehicles, please come to the elementary office and request new signs.

### **Speed Limit**

For the safety of our students, there is a 10 MPH speed limit throughout the campus.

Thank you for working together to help ensure safe and efficient drop-off and pick-up procedures!
