Some elective classes and project-specific supplies not listed here may be required at later dates throughout the school year.

Lockers are provided to students as a secure location for their textbooks and supplies.

BRING YOUR OWN DEVICE (BYOD) PLAN FOR 2022-2023 AND BEYOND

- **7th - 8th grade students** will need a fully charged laptop with charger to be used both on-campus and at home each day.
 - Although these students may not be using their personal devices every day in every class, it is important that they have their device & charger with them so that they are prepared to do so.
- **9th - 12th grade students** will need a fully charged laptop with charger to be used both on-campus and at home each day.
 - Teachers regularly utilize our various tech tools and platforms with high school students, thus necessitating a one-to-one device expectation.

REQUIRED 3RD - 12TH GRADE STUDENT MINIMUM DEVICE SPECIFICATIONS

- Windows 10/11 operating system
- Installations:
 - Windows 10/11 Software
 - Google Chrome
 - Zoom App
 - Windows Defender Antivirus (build into Windows software)
 - Microsoft Office 365 Suite software (provided at no cost by SCS)
- Camera
- Speakers
- Headphones
- Power/adaptor cord
- Protective Case

To streamline tech support and ensure all devices are operating properly, it is strongly recommended that any student currently using a Mac/iOS device or Chromebook acquire a PC/Windows device, as there is limited support available for these devices. If there is a need by the family, a student may request a school-issued laptop for use during the school year, please see below for details.

SCHOOL-ISSUED DEVICE AVAILABILITY

SCS has purchased laptops for use as loaner devices for students throughout the school year. Due to limited availability of these school-issued devices, priority will be given to requests in the order they are received. If you determine your student will need a school-issued laptop, please send an email to [SCS Tech Support](#) to submit your request. Please note that families are responsible for the loaner devices and any damages/loss incurred.
