

# CLASS OF 2023 SENIOR PORTRAITS

# YEARBOOK ADS

Senior portraits are used by SCS in the yearbook and for graduation materials. While it is not required to have them professionally taken, it is something that many families choose to do to commemorate the accomplishment of graduating from high school, and many families choose to send out the photos with graduation announcements.

Please be aware that the deadline for submitting a senior portrait for the yearbook is **Friday, February 24**. Your cooperation with this deadline helps us get out the yearbook on time, so please schedule accordingly if you do plan to have professional photos taken.

Photos may be submitted by parents, students, or photographers by email to Mrs. Rogers at [mrogers@seattlechristian.org](mailto:mrogers@seattlechristian.org).

Read the details below for specifics on portrait requirements and suggestions.

## Photo Requirements:

- .JPG or .TIFF files only
- "Portrait" orientation only
- Color portraits preferred
- Half body preferred (instead of full-body or head shot)
- Image resolution of at least 300 dpi
- (Do not send screen shots or images directly from a website as they may be too small)
- Name the file with student's first and last name separated with an underscore (first\_last)
- No watermarks

Senior recognition ads are an optional way to recognize your senior in the yearbook. Parents have the opportunity this year to create their ads directly; **more information will be sent out on that at a later date.**

It is VERY important to reserve your space in the yearbook to ensure that we have enough room for your ad. **To reserve your space in the yearbook, email Mrs. Rogers at [mrogers@seattlechristian.org](mailto:mrogers@seattlechristian.org)** indicating what size ad you would like to purchase before Friday, October 7.
