Mentorship Team Application

The Mentorship Team at Seattle Christian is a way to take an active role in promoting school spirit and helping new students adjust to the academic, spiritual, and social demands of High School. The program focuses on leading through service and is challenging, not only requiring your time and effort, but also demanding the attitude required of an effective leader.

To help determine if you are a good fit for Mentorship, please respond to the following questions. We will review your responses and teacher recommendations before making any decisions about class enrollment. There are two recommendation forms to have filled out, one by any teacher of your choosing and the other by one of your Squad leaders. Please give the attached recommendation forms to the appropriate teachers by April 28th!

Please return this completed application to the secondary office on or before April 28th.

Thank you for your interest in Mentorship!

1. List and explain in detail your involvement in the following areas:

- Seattle Christian

- Church and/or Community

2. Think about challenges you faced as a Freshman. If you knew a freshman who experienced these same challenges, how would you help him/her?

3. If another student came to you and shared that they are struggling with balancing their schoolwork and social life, what would you do or say to help?

4. Why is it important to build a strong and positive community at Seattle Christian? How can you or do you contribute towards a positive SCS community?

5. Why do you want to be a part of the Mentorship team? What skills or character traits do you have that would be a benefit to the Mentorship team?

Please return this completed application to the secondary office on or before April 28th.

If you have any questions about Mentorship or this application, please talk with Mrs. Rogers.
