### PLEASE NOTE

Label supplies with permanent marker or etching. Also label coats, backpacks, and lunch boxes.

Send basic supplies on the first day of school including a binder, paper, and pen/pencil. Send the remaining supplies within the first week.

Some elective classes and project-specific supplies not listed here may be required at later dates throughout the school year.

Lockers are provided to students as a secure location for their textbooks and supplies.

# BRING YOUR OWN DEVICE (BYOD) PLAN FOR 2023-2024 AND BEYOND

- **7th - 12th grade students** will need a fully charged laptop, with charger, to be used both on-campus and at home each day. It is highly recommended to charge your device nightly. *Please label personal devices and chargers.*
  - Teachers regularly utilize our various tech tools and learning platforms with secondary students, thus necessitating a one-to-one device expectation.

## ***REQUIRED STUDENT MINIMUM DEVICE SPECIFICATIONS***

To streamline tech support and ensure all devices are operating properly, it is strongly recommended that students acquire a Windows device as there is limited support for MAC & Chromebook devices. *Please label personal devices and chargers.*

- Hardware:
  - Windows based device (laptop or surface)
    - 4G RAM
    - 128G Hard drive
- Software installations:
  - Windows 10/11
  - Google Chrome web-browser
  - Windows Defender Antivirus (build into Windows software)
  - Microsoft Office 365 Suite, accessible at no cost using an SCS email account
- Headphones, per teacher instruction
- Power adapter, second charger recommended for home & classroom use
- Protective Case/Cover/Bag

## ***SCHOOL-ISSUED DEVICE AVAILABILITY***

SCS has purchased a small number of laptops for use as loaner devices for families that need one. Due to limited availability of these school-issued devices, priority will be given to requests in the order they are received. If you determine your student will need a school-issued laptop, please send an email to [SCS Tech Support](#) to submit your request. Families are responsible for the loaner devices and any damages/loss incurred. In addition, there will be a monthly technology fee of \$25 per device added to student accounts.
